

**MEMORANDUM OF UNDERSTANDING
BETWEEN
MING CHI UNIVERSITY OF TECHNOLOGY, TAIWAN
AND
UNIVERSITAS PAKUAN
ON
ACADEMIC AND RESEARCH COLLABORATION**

Article 1. Objectives of cooperation

1.1. Universitas Pakuan, hereinafter UNPAK (Bogor, Indonesia) and Ming Chi University of Technology, hereinafter MCUT, (New Taipei City, Taiwan), in the confident expectation that cooperation between their respective institutions will contribute to academic development and promote research related activities, have reached this Memorandum of Understanding, hereinafter **MoU**.

1.2. The purpose of this **MoU** is to set out the basic consensus about respective roles and responsibilities of the Parties in working cooperatively to develop and carry out collaborative activities in furtherance of the common interest of the institutions, by:

- a) Exchange of faculty members and students for study and research
- b) Exchange of invitations to scholars for lectures, talks and sharing of experience
- c) Promotion of joint research activities and publications
- d) Exchange of information on professional experience in fields of interest to both institutions.
- e) Exchange of invitations to scholars to participate in conferences and symposiums

Article 2. Contents of cooperation

2.1 In order to materialize such a cooperative relationship, the two Parties agree on the following specifics:

- a) Each party will nominate one of its members as its representative in charge of the cooperative program. Individual programs of work under this **MoU** will be jointly planned and conducted by the nominees of both Parties.
- b) Progress of work by the individual program will be reviewed and approved by designated project officers of both Parties. It is anticipated that a detailed plan of joint activities will be completed by the nominees of both Parties.
- c) The final approval of any project will be dependent upon the availability of guaranteed support funds.

d) Neither MCUT nor UNPAK will be held responsible for any liability whatsoever; furthermore, neither party shall be required to purchase any insurance against loss or damage to any personal property to which this agreement relates.

2.2. Both Parties are committed to maintaining a constructive and cooperative working relationship.

2.3. Each specific program and activity that is implemented under the terms of this MoU shall be mutually discussed by both institutions.

Article 3. Effect of the Memorandum of Understanding

3.1. This MoU is effective as of the date it is signed by representatives of each party and shall be remain in force for an initial period of five years. Following the initial period, it may be extended by mutual consent of both Parties.

Article 4. Contact information

All notices, consents or approvals under this MoU shall be given in writing and shall be deemed to have been duly given to the other party when sent to the following representatives:
